Thank-you for your interest in becoming a foster parent for SafeHaven Humane Society! The goal of this program is to provide animals the love and care they deserve, until they are ready for adoption.

## Foster Parent Requirements

- Be 18 years of age or older.
- Fill out the attached application and speak with the foster care coordinator
- Provide 2 verifiable references.
- For the protection of your pets we require information on all current pets in the household, including current medical records.
- Provide in-home care for SHHS animals assigned under foster program and return animals to SHHS on the date specified.
- Agree to and sign foster agreement/waiver pertaining to the animal you will be caring for.
- You are strongly encouraged to keep a log of your foster pet's behavior, health and any other relevant information deemed appropriate.

***Note: Any animals in your care are the property of SafeHaven and therefore must be adopted out through SafeHaven. No animal may be given away or adopted out before being of age and receiving all their vaccinations. All adopters must fill out an adoption application and be approved by SafeHaven.***

**Foster Agreement**  
*(please read and sign below)*

Because SHHS takes in many stray animals as well as those from previous homes, we cannot know the past history of all the animals in our care that are placed into foster homes. For this reason, we cannot be held responsible for the spread of disease in otherwise asymptomatic animals to others in the household, especially if the animal(s) are allowed unrestricted access to other animals in your household. Nor can we be held responsible for any behavioral or tempermental problems that may occur while in foster care.

I certify that the above information is true and correct. I have read and fully understand the above contract. I agree to adhere to SafeHaven's guidelines in all regard to foster animals when requested. I further agree to not hold SafeHaven Humane Society or any of its staff or Board of Directors liable for any damages that may occur because of SHHS animals in foster care.
